14 September 2018

Dear Sir or Madam,

It is with great pleasure that I write to invite you to our WISCP Open Week: Week of Wellbeing running from **8th October 2018 to 12th October 2018**.

October is a busy month. It is the home of Black History Month (1st -31st October), International Day of Older Persons (1st October) and World Mental Health Day (10th October). This year, in celebration and solidarity with Black history, older persons and mental health awareness, we are hosting a week of events.

During the week, there will be a wide variety of events such as information sessions, academic talks, arts and craft activities, fitness, cooking classes, music and other social activities. On Wednesday, 10th October 2018, there will be an Open Day filled with talk, food, and information about our services. The week of events will culminate on Friday, 12 October 2018, with a Reminiscence Tea Party.

WISCP has been providing a wide range of social, economic, educational, health and leisure services to our African Caribbean 50+ community for over 30 years and we want to continue providing our services for the next 30 years. We want to spread the word about the work we are doing within the community and how we serve its most vulnerable members. We also want to showcase services and raise awareness around issues that affect the African Caribbean community.

We are hoping that people will find time to drop by, ask questions or benefit from some of our sessions. We also want to use this week to meet and greet our partners and build bridges and reconnect with the statutory and voluntary sectors. We need your support to continue our fight in combating social isolation and loneliness.

WISCP is at a critical juncture in its development as social care cuts are starting to impact our ability to be sustainable and effective. Nevertheless, we have continued to keep our doors open and I am so pleased and proud to convey to you the following projects/services the WISCP/LAT partnership currently deliver:

WISCP - Day Care, Luncheon, Mobile Meals (365 days/year), Domiciliary Care, Credit Union

LAT - Advocacy and Advice, Befriending and Mentoring, Education and Leisure Activities, the Carers Club and a range of outreach initiatives working with isolated individuals and groups across the city.

Additional information about the week can be found on the attached flyers. If you would like more information about the events, please contact us at 0116 251 2224 or info@wiscp.org.uk.

I hope you are able to accept this invitation and I look forward to hearing from you.

Sincerely,

Rohan Morgan
WISCP-LAT Program Manager
